## Guide to the Dennis Barstow Photographs, 1964-1984

### Title

Dennis Barstow Photographs (P 280)

### Dates

1964-1984 (inclusive)

### Creator

Barstow, Dennis.

### Summary

The Dennis Barstow Photographs consist of color slides taken by Barstow of oceanographic research conducted on Oregon State University research vessels. Dennis Barstow joined the Oregon State University Oceanography Department in 1962 as a research assistant. He served as a hydrographic technician on a number of research projects and retired in 1994.

### Quantity

0.05 cubic foot, including 40 photographs (1 box)

### Restrictions on Access

Collection is open for research.

Finding aid prepared by Elizabeth Nielsen, 2010.

## Biographical Note

Dennis Barstow joined the Oregon State University Department of Oceanography as a research assistant in 1962 and retired from the Oregon State University (OSU) College of Oceanic and Atmospheric Sciences in 1994. Barstow served as a hydrographic technician on several major projects including TENOC (Ten Years of Oceanography), CUEA (Coastal Upwelling Ecosystems Analysis), CODE (Coastal Ocean Dynamics Experiment), and SuperCODE (a large-scale west coast shelf experiment). He later joined the OSU buoy group, specializing in the calibration of temperature sensors. He frequently went to sea on oceanographic research vessels, especially on OSU's R/V *Acona*, *Yaquina*, *Cayuse*, and *Wecoma*, as well as vessels operated by other institutions.

## Content Description

The Dennis Barstow Photographs consist of color slides taken by Barstow of oceanographic research conducted on Oregon State University research vessels. The images depict Oregon State University faculty, students, and researchers as well the research vessels. Images of the R/V *Acona*, *Yaquina*, *Paiute*, *Cayuse*, and *Wecoma* are included. Several photographs of the Totem buoy project are part of the collection. Faculty and students depicted in the photographs include Adriana (Jane) Huyer, Jay Simpkins, Chris Moser, Rich Schramm, Dennis Root, George Morrison, Cliff Williams, Bob Still, Kathryn Brooksforce, and Jack Query.

Jane Huyer produced high-resolution scans of the slides, confirmed dates, and prepared caption information for all the images. The collection also includes these high-resolution digital files as well as a [document](#) with background information for the collection as well as the images and captions.

## Preferred Citation

Dennis Barstow Photographs (P 280), Oregon State University Archives, Corvallis, Oregon.

## Custodial History

Barstow sent the slides to Jane Huyer, in the College of Oceanic and Atmospheric Sciences, in 2009 for use in the College's 50th anniversary celebration.

## Acquisition Information

The slides were donated to the Archives in 2009 by Adriana (Jane) Huyer.

## Additional Reference Guides

[A document including digital versions of the images with captions](#) is available online.

## Related Material

Additional photographs of oceanographic research and Oregon State research vessels are part of the [Hatfield Marine Science Center \(P 254\)](#) and College of Oceanic and Atmospheric Sciences (P 203) Photographs. The [College of Oceanic and Atmospheric Sciences \(RG 173\)](#) and [Hatfield Marine Science Center \(RG 194\)](#) Records provide extensive documentation of oceanographic research at Oregon State University.

## Subjects

This collection is indexed under the following headings in the OSU Libraries Catalog. Researchers desiring materials about related topics, persons, or places should search the catalog (<http://oasis.oregonstate.edu>) using these headings.

## Organizations

Oregon State University--Faculty.  
Oregon State University--Students.  
Oregon State University. College of Oceanography.  
Oregon State University. Dept. of Oceanography.  
Oregon State University. School of Oceanography.

**Topics**

Oceanographic research ships.

Oceanography--Research--Oregon.

**Forms of Materials in the Collection**

Compact discs.

Digital images.

Digital prints.

Slides.
