## Acquisition Information

The papers were donated to the Archives in 1979 by Langton's daughter, Marie Langton Swancutt. Additional materials, including 3-dimensional artifacts, were donated to the Horner Museum in 1979 by Swancutt; a small number of documentary items from that donation were subsequently transferred to the OSU Archives in 1996.

## Processing Note

The Langton Papers were initially processed in 1993; the materials were re-folded and a finding aid with folder-level list was prepared. Additional processing was conducted in 2010; at that time the papers were arranged in series, the small 1996 addition was incorporated, and the finding aid was significantly revised and expanded.
